

State Farm® Money Market Fund

as of September 30, 2009

State Farm Variable Product Trust

Investment Objective

Seeks to maximize current income to the extent consistent with the preservation of capital and maintenance of liquidity.

Who May Want to Invest?

- Those who:
- require stability of principal
 - are seeking an investment for the cash portion of an asset allocation program
 - are looking for an investment with a lower degree of risk during uncertain economic times or periods of stock market volatility
 - consider themselves savers rather than investors
 - are participating in a dollar-cost averaging program under their variable life insurance or annuity contract

Portfolio Management

Managed by State Farm Investment Management Corp., which has over 30 years experience managing investment company assets and is responsible for over \$10.7 billion in assets as of September 30, 2009.

Investment Strategy

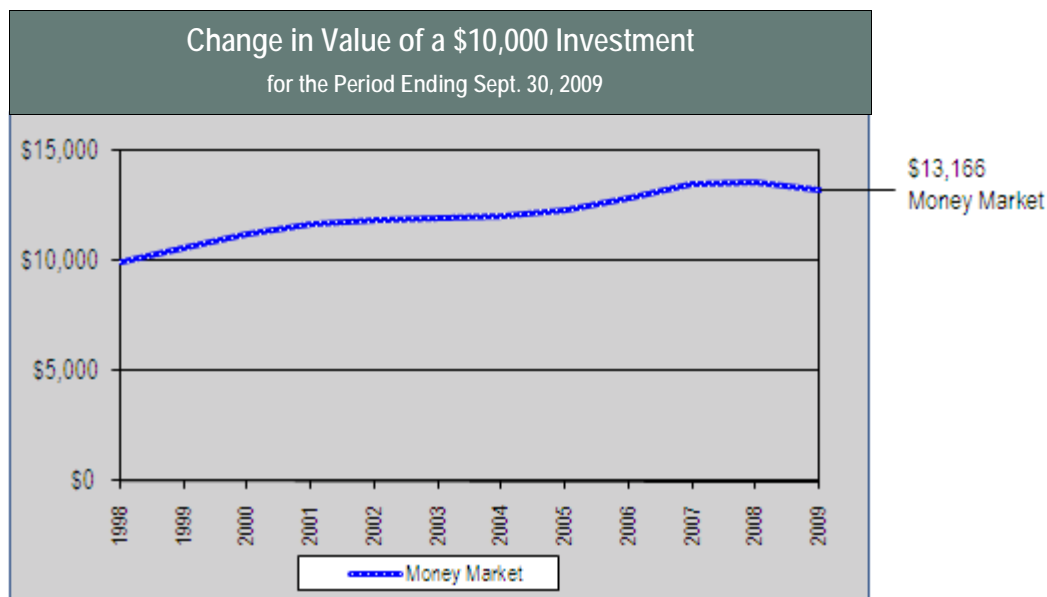

The Money Market Fund seeks to maintain a stable net asset value of \$1.00 per share. The Fund invests exclusively in short-term U.S. dollar-denominated money market securities, including those issued by U.S. and foreign financial institutions, corporate issuers, the U.S. Government and its agencies and instrumentalities, municipalities, foreign governments, and multi-national organizations, such as the World Bank.

Total Net Assets: \$47,054,280.10

This information must be accompanied by the Performance and Returns for the State Farm [Variable Deferred Annuity](#) or [Variable Universal Life](#) policy. This performance data represents past performance and does not guarantee future results. There is no guarantee that the circumstances leading to this performance will be replicated in the future. Investment return and principal value will fluctuate and fund shares, when redeemed, may be worth less than the premiums you paid. The 7-Day Current Yield more closely reflects the current earnings of the Fund than the Total Returns. **Recent performance may be less than the figures shown.** Obtain total returns current to the most recent month-end at statefarm.com® under Life & Annuities in the Insurance tab.

The performance figures above reflect the reinvestment of all dividends and capital gains, and the deduction of investment management fees and fund-level expenses, but not contract-level charges. If contract-level charges were reflected, the performance quoted would be significantly lower than shown. The accompanying Performance and Returns for the State Farm [Variable Deferred Annuity](#) or [Variable Universal Life](#) policy reflect contract-level charges.
