*These figures do not reflect the value of shares acquired through reinvestment of all dividends and of all capital gain distributions for the period. If sales charges were included, returns would be lower than indicated. The performance for other share classes will vary.

This performance data represents past performance and does not guarantee future results. There is no guarantee that the circumstances leading to this performance will be replicated in the future. Investment return and principal value will fluctuate and fund shares, when redeemed, may be worth less than their original cost. Year-to-date and since inception total return are the compounded rate of change in value during a period of investment, including the value of shares acquired through reinvestment of all dividends and of all capital gain distributions for the period. These figures are based on an investment at the beginning of the period through the end of the period and reflect all applicable fees and expenses, including an annual 12b-1 fee of 0.15% for both Legacy Class A shares and Class A shares, and 0.55% for both Legacy Class B shares and Class B shares. The 7-Day Current Yield more closely reflects the current earnings of the fund than the Total Returns. Recent performance may be less than the figures shown. Obtain total returns current to the most recent month-end at statefarm.com under the Mutual Funds tab.

¹ State Farm Investment Management Corp., the investment advisor for each fund, has voluntarily agreed to reimburse each fund for certain annual operating expenses. This agreement may be eliminated at any time.
