

## **EQUIPMENT, SPECIALLY CONSTRUCTED VEHICLES, AND VEHICLES WITH PERMANENTLY MOUNTED SPECIAL EQUIPMENT EXCLUSION (Physical Damage Coverages)**

---

This endorsement is a part of the policy. Except for the changes this endorsement makes, all other provisions of the policy remain the same and apply to this endorsement.

### **PHYSICAL DAMAGE COVERAGES**

#### **Definitions**

The following is added to **Covered Vehicle**:

1. **Covered Vehicle** does not include the equipment shown on the Declarations immediately following the title of this endorsement whether or not such equipment is securely fixed as a permanent part of the **covered vehicle**; or
2. any:
  - a. specially constructed motor vehicle;
  - b. specially constructed **trailer** or semi-trailer; or
  - c. vehicle with permanently mounted special equipment

which is manufactured, assembled, remodeled or rebuilt as a complete operating unit and is not primarily designed for the transportation of **persons** or property but is designed and intended for use at points where **work** is being performed, with movement on a highway or street, if any, purely incidental to its use in the **work** for which it is designed and intended.
